

POOL ELEVATORS TO HANDLE
WHEAT ON BASIS OF
COST, IS PLAN—PROPOSAL
MADE BY DIRECTORS TO
POOL DELEGATES IS ADOPTED

Calgary, Alta., May 31.—Wheat pool elevators in Alberta will be operated on a cost basis to patrons. This decision was reached by a full attendance of pool delegates in convention here on Wednesday afternoon.

The new policy laid down will represent something new in co-operative effort in Canada, if not in the world. It means that members will be charged only the bare cost of operating the elevator facilities. When they haul their grain into the elevators, no service or elevator charges will be made. At the end of the fiscal year the actual operating cost will be available and will be deducted from the final wheat pool payment.

Deduct From Final Payments

This change in elevator policy was recommended to the delegates by the directors. The proposal was to eliminate handling and service charges upon delivery of the grain to the pool elevator and deduct the actual operating cost on a per bushel basis from the final wheat pool payment. The new policy decided upon will mean a distribution of pool elevator excess earnings only to those who patronize pool elevators on the following basis: "1" through pool country houses; "2" platform shipments to pool terminals; "3" through line elevators to pool terminals.

The purpose of this new system is to increase the volume of grain passing through pool elevators. C. M. Hall, general manager of the elevator system, in addressing the delegates, strongly urged that pool members use their own facilities to the fullest extent. He pointed out that only by following that policy could the elevator system be able to function with the greatest economy and the full objectives for which the system was being realized.

300 Line Elevators

This coming harvest the pool would, he said, have close to 300 line elevators in operation and three terminals at the Pacific coast. In order to bring the greatest possible return to pool members with the maximum protection in weights and grades, Mr. Hall suggested that every effort be made to have pool

grain handled through pool elevators. George McIvor, general sales manager, addressed the delegates and pointed out the advantage to the selling agency of having pool grain in pool elevators, readily available to complete sales at any time. He stated that by placing their grain in their own elevators, pool members could assist pool salesmen to get better prices for their grain. The new policy, it was stated, would be retroactive. The excess earnings of the elevator system during the 1927-28 crop year would be disbursed to the pool members who put their grain through the pool elevators.

TENDERS CALLED FOR LETHBRIDGE—PINCHER CREEK
MAIN HIGHWAY

Edmonton, May 31.—Tenders for two more pieces of road work in the southern part of the province, are being called for by the department of public works. They are for 20 miles between Lethbridge-MacLeod, and 20 miles between MacLeod and Pincher, both on the Walsh-Crow's Nest highway. Standard grade construction will be put in on both sections. Tenders are to be opened June 8.

TIDAL WAVE HITS JAPANESE
FISHING FLEET—100 DROWN

Tokio, May 31.—Newspaper dispatches from Sapporo say that four hundred fishermen are missing and believed drowned in a huge tidal wave which destroyed the fishing fleet of Sarubutsu, on the northeast coast of the island of Hokkaido. Official confirmation of the dispatches was lacking.

Horses Impounded at The
Peigan Indian Agency,
Brocket, Alberta

1 Black mare, star, 2 white hind feet, roach mane, white spot on back, no visible brand.

1 Bay mare and colt at foot, strip in face, branded reversed K with 2 over half diamond on left hip.

1 Black mare, strip, crooked front foot, colt at foot, branded 5H on left hip and D on right hip.

1 Bay gelding, roach hairs, both tail, star and snip, branded lazy S, on left hip and bar over XV on right hip blotched.

1 Black mare, aged, star, branded reversed 3 with 7 on left shoulder.

1 Brown gelding, branded 5H on left hip.

1 Bay gelding, star, blotched brand on left shoulder.

1 Grey gelding, aged, branded bar over AD on left hip.

1 Bay gelding, strip, branded PO on right hip and 97 on right shoulder.

1 Grey mare, branded W over bar on right hip.

1 Bay gelding, 3 white feet, strip, aged, branded double crank on left flank.

1 Brown mare, saddle marks, gentle, branded pitchfork points down over T on right shoulder.

1 Aged black gelding, branded double rowlock straight up on right shoulder.

1 Bay mare, 4 white feet, star and snip, no visible brand.

1 Bay gelding, 2 year old, 2 white hind feet, branded SO over bar on left shoulder.

1 Black gelding, 4 white feet, white face, branded reversed F over quarter circle points down on left jaw.

1 Bay gelding, white face, trim tail, wire scar on right shoulder, no visible brand.

1 Bay mare, aged, strip, gentle, no visible brand.

1 Black mare, branded T lazy V on left shoulder and box A on right shoulder, star and snip, 1 white hind foot.

1 Black mare, 4 white feet, star, branded box reversed G on right shoulder with blotched brand below.

1 Black mare, star, branded quarter circle points up over RJ on left shoulder.

1 Sorrel mare and colt, branded quarter circle points up over RJ on left shoulder.

1 Brown mare, branded quarter circle points up over RJ on left shoulder.

1 Black gelding, 2 year old, star, no visible brand.

1 Iron grey gelding, branded reversed L with 2 over bar on left shoulder.

1 Roan filly, 2 year old, no visible brand.

1 Bay gelding, strip, 3 year old, no visible brand.

1 Bay mare, star, branded monogram 4L on right hip.

1 Black mare, strip, branded monogram 4L on right hip.

1 Bay gelding, star, branded PZ over bar on left hip and 76 over bar on right shoulder.

1 Bay gelding, 2 year old, small star, 2 white hind feet, no visible brand.

1 Bay mare, star and snip, 3 white feet, no visible brand.

1 Sorrel gelding, star, branded CA monogram on right hip.

1 Brown mare, star and snip, 3 year old, blotched brand on left hip.

1 Dark bay mare, 2 white hind feet, no visible brand.

1 Grey mare, branded CA monogram on right hip.

1 Grey filly, branded C A monogram on right hip.

1 Iron grey mare, chunky, no visible brand.

1 Grey mare, 3 year old, no visible brand.

1 Brown mare, 2 white feet, branded bar over UT on left shoulder.

CAPITAL GOSSIP AND PROVINCIAL NEWS

Alberta Fire Losses In 1927
Thirty-three deaths and property losses totalling \$2,338,777.92 resulted from fires in Alberta during the year 1927, according to the recently issued report of Henry Brace, provincial fire commissioner. Fire waste from the burning of dwellings, stores, barns and garages amounted to over \$1,500,000, or 65 per cent of the total fire losses for the year, and it is pointed out in the report that practically all of these fires were due to carelessness in some form or other.

During 1927 a total of 736 cities, towns and villages in the Province were visited and inspected by officials of the fire commissioner's office and 987 orders were issued for the correction of defects. Convictions under The Fire Prevention Act during the year totalled 36, or 94.7 per cent of those brought to trial.

New Research Buildings At University

Increased accommodation is being provided this year in the Department of Field Crops at the University of Alberta by the erection of a new laboratory and greenhouse for the study of plant pathology and plant breeding. This additional space will make possible the carrying out of a co-operative attack by the University, the Federal Department of Agriculture and the National Research Council on the problem of root-rot diseases.

Dr. A. W. Henry, formerly of the University of Minnesota, on his return from Europe last fall joined the staff of the Department of Field Crops and will lead the plant pathology work at the University. Dr. G. B. Sanford of the Federal Division of Botany will have charge of the Dominion Laboratory of Plant Pathology and Dr. O. S. Aamodt of the University of Minnesota has been appointed to take charge of the work in cereal breeding. Dr. Aamodt will spend the summer in Europe, mainly at Cambridge and Svalof, and will take up his work at the University in the fall. Professor J. R. Fryer will continue in charge of forage crop breeding. Disease resistance is one of the main qualities being sought in the plant breeding work.

Cardston To Have \$50,000 Hospital

Announcement is made by the Department of Indian Affairs that a hospital costing in the neighborhood of \$50,000 will be erected in the town of Cardston. Construction work will start very shortly on this building which is intended for the benefit of the Blood Indians in that section of the Province.

Final Attendance For Institute Of Co-operation

Final arrangements for the Alberta Institute of Co-operation, which will be held at the University of Alberta from June 25 to 29 were made at a meeting of the executive committee held in Calgary on Monday, June 4. A large number of farmers and others from all parts of the Province have sent in applications for attendance at this event which promises to be a milestone in the history of co-operative activity in western Canada. Included in the list of speakers who will be heard are a number of acknowledged authorities on the various phases of co-operation from all parts of the continent and the experiences of the men who have been involved in the problems involved in the development of co-operative marketing in Alberta.

Department Opposes Introduction Of Chester White Hogs

Further active steps have been taken during the past week by the Department of Agriculture to check the introduction of hogs representing the Central United States Swine Company who have been taking orders for Chester White Sows and boars in various sections of the Province.

Officials of the Department have been busy in a number of districts advising farmers to have nothing to do with the contract offered them by these salesmen. The proposition which at first sight appears attractive proves on investigation to be very unsound from the stand point of the farmer and information secured by the Department shows that farmers in a number of sections of the United States suffered heavy losses by becoming involved in similar schemes. The Bankers' Association has emphasized the warning being issued by the Department by advising local bank managers throughout the Province of the unsoundness of this scheme.

Weed Conference To Be Held

In connection with the extensive program of weed control and eradication to be conducted during the

IN THE ESTATE OF HARRIET JACKSON, LATE OF THE TOWN OF MACLEOD, IN THE PROVINCE OF ALBERTA, WIDOW, DECEASED

Notice is hereby given that all persons having claims upon the Estate of the above named Harriet Jackson, who died on the first day of May, A. D. 1928; are required to file with the undersigned solicitor or executor by the 7th day of July, A. D. 1928, a full statement duly verified of their claims and of any securities held by them, and that after that date the executor will distribute the assets of the deceased among the parties entitled thereto having regard only to the claims of which notice has been so filed or which have been brought to his knowledge.

Dated at the Town of Macleod, in the Province of Alberta, this 30th day of May, A. D. 1928.

ALFRED E. BARKER,
708-8th Street, Medicine Hat, Alta.,
Executor.

JOHN L. FAWCETT,
Macleod, Alberta,
Solicitor.

coming summer, arrangements have been made to hold two-day conferences at a number of points in the Province in the next month. These will be held at the four Provincial Schools of Agriculture, at Raymond on June 12 and 13; Claresholm, June 15 and 16; Olds, June 19 and 20; Vermilion, July 3 and 4 and at the University of Alberta, Edmonton, July 6 and 7.

These conferences will be attended by the Provincial field supervisors, weed inspectors of local improvement districts and councillors, Reeves, secretaries, inspectors and other municipal officials who are interested in coping with the problem of the spread of noxious weeds. The public is cordially invited to attend these free courses at which the approved methods for the control and eradication of weeds will be outlined, in order that the widest possible measure of support may be secured by the Department of Agriculture in the war being waged on these troublesome and costly pests.

HON. C. W. CROSS FORMER ATTORNEY-GENERAL OF ALBERTA IS DEAD

Calgary, Alta., June 4.—Hon. Chas. W. Cross, formerly Attorney-General of Alberta, and one of the leading barristers and judges of history in this province, since its beginning in 1905, died suddenly after an illness of about two days in Calgary on Saturday afternoon at 3:30 o'clock. He was attended by Dr. F. A. Sullivan, Dr. W. Merritt, Dr. Charles E. Coleman and two trained nurses. Mrs. Cross was at the bedside.

Hon. Mr. Cross is survived by his wife, one son Thomas, and two daughters, Mrs. S. T. Birelow of Edmonton and Margaret, at present attending college in Montreal.

The remains will be accompanied to Edmonton by Mrs. Cross and Allan Fraser of Calgary, an intimate friend of the family. Funeral arrangements will be made in Edmonton.

If you really were the first girl he loved, it wouldn't occur to him to say so.

You can find a tooth paste recommended to cure almost anything except gullibility.

THE EMPRESS THEATRE -- CURRENT ATTRACTIONS

SOJIN, UNDERTAKES NEW "MENACE" PLAY--FAMOUS ORIENTAL CHARACTER ACTOR PUTS ADDED THRILL IN MYSTERY PLAY

Sojin, famous oriental character actor, plays the menace role in "Something Always Happens." Paramount's latest Eastern thriller, a mystery-comedy, which will show at the Empress Theatre Monday and Tuesday. He is perhaps the greatest character actor of his type in the history of motion pictures, and in "Something Always Happens," he provides a sinister atmosphere which overshadows the entire story and provides a thrilling background for stirring mystery story.

Sojin came to the moving picture colony after a thorough training, begun in childhood. Born in Sendai, Japan, a son of a doctor who was once a member of Parliament, he studied literature at Waseda university, Tokyo, and took a special motion picture course at the Tokyo Fine Arts school. He later entered the Bungei Kyokai, a sort of home school, for the study of the dramatic arts.

At this school, he studied the principles of drama and acting on the legitimate stage and, later, established his own company and produced plays of the great European dramatists, among them Shakespeare, Goethe, Ibsen, Tolstoy, Shaw and others. He is the author of several novels and, when his quest for employment in moving pictures at Hollywood was, for a time, unsuccessful, he published the monthly magazine, "The East and West Times," in San Francisco.

His first part was that of the Mongolian prince in "The Thief of Baghdad." Later he was assigned character parts in "East of Suez," "Pola Negri's starring vehicle," "The Sea Beast," "The Wanderer," "The Lucky Lady" and "The Golden Journey." In his latest picture, "Something Always Happens," he gives a splendid characterization of an oriental fatalist, dedicated to the recovery of a jewel of religious import.

DOG LEAPS FROM A FLYING AIRPLANE TO ANOTHER IN THIS PICTURE

To jump from one careening airplane to another, in midair, is a sensational stunt for a human being—only two or three men have ever done it. Now a dog has duplicated the feat—the only aviating dog in the world.

That dog is Napoleon the big German police dog who plays in "The Thirteenth Hour," Metro-Goldwyn-Mayer's latest mystery picture, which will be at the Empress Theatre Friday and Saturday.

During a thrilling chase between two planes, the dog successfully jumped from one to the other without injury to himself. The dog was trained to pay attention to nothing but his master and the jump in midair was no more to him than a jump between two buildings on land.

The cast of the new picture, which was directed by Chester M. Franklin, includes Lionel Barrymore, Charles Delaney, Jacqueline Gadsdon, Fred Kelsey, Polly Moran, and others of note.

LEWIS STONE HEADS CAST OF NEW FILM

Lewis Stone, Priscilla Bonner, Lilyan Tashman, Robert Agnew, Ann Rork, E. J. Ratcliffe and others head Sam E. Rork's cast in "The Prince of Headwaiters," adapted from the Liberty Magazine story, showing at the Empress Theatre as the feature play next Wednesday and Thursday.

Sam E. Rork, producer of "Ponjola," "Old Loves and New," "The Blonde Saint" and "The Notorious Lady" and other features for First National Pictures, produced "The Prince of Headwaiters." It is his outstanding picture of the year, and

KING GEORGE 63 YEARS OF AGE ON SUNDAY—BIRTHDAY WAS OFFICIALLY CELEBRATED MONDAY

London, June 2.—(C.P. Cable)—King George will be 63 years of age tomorrow, Sunday. In connection with the approaching birthday the customary ministerial dinner was given yesterday by Sir Austen Chamberlain, secretary of foreign affairs, in the foreign office, ambassadors being the principal guests. Otherwise his majesty's birthday will be officially celebrated on Monday. The celebration will consist chiefly of the trooping of the colors on the Horse Guards parade of the Welsh Guards in the presence of the king, the Prince of Wales, Duke of York, Duke of Gloucester and Viscount Lascelles, Princess Mary's husband. Two thousand troops and six bands will take part in the ceremonies.

In Excellent Health
King George, enjoys excellent health and has an abundance of exercise horseback riding, particularly early in the morning. When in town, it is understood, he often has a bicycle ride in the grounds of Buckingham Palace before breakfast.

The court will move to Windsor on June 16 for the customary Ascot House party. The king and queen will attend the Derby which will be run June 6, when they will have a large number of guests.

FALSTEAD IS DERBY WINNER

Epsom Downs, June 6.—Falstead, owned by Sir H. Cunliffe-Owen, won the historic English Derby at Epsom Downs today.

Falstead, in winning the 148th running of the famous English classic, was a rank outsider. Flamingo was second and Blackwatch third.

In winning the classic which was thronged by a huge crowd, Falstead duplicated the performance of his sire, Spion Kop, which won the Derby in 1920.

Spion Kop also won over a field of 19.

Falstead, which was a 33 to 1 shot, won by a length and a half.

RAILSTON PICTURE DISTINGUISHES TYPE -- WEIRD MELODRAMA REACHES HEIGHTS OF COMEDY IN VARIOUS SITUATIONS

Eather Ralston has been given a distinctive type of picture in her latest Paramount starring vehicle, "Something Always Happens," due to be shown at the Empress Theatre next Monday and Tuesday.

It is the story of hilarious happenings in a haunted house, and shows the star as a girl seeking adventure, and getting it but not as she anticipated.

She meets up with screaming hoot ovals, ghostly figures, and mysterious hands that grip her by the throat and becomes embroiled in a series of spectacular adventures which are hushed as "thrilling, chilling, baffling and amusing."

"Something Always Happens" is a type of picture that has never before been made on the Paramount lot, in the words of studio executives. Mysterious melodramatic action is combined with fun in huge quantities.

The production was based on an original story written especially for Miss Ralston by Frank Tuttle, who directed her in "Love and Loathing" and "The Spotlight." Tuttle, former Yale dramatic writer and author of a number of one act successes, conceived more than one hundred adventurous situations, which give the star a great opportunity for satirical light comedy portrayal, for which she has become popular.

The purpose of this new system is to increase the volume of grain passing through Pool elevators. C. M. Hall, general manager of the elevator system, in addressing the delegates, strongly urged that members use their own facilities to the fullest extent. He pointed out that only by following this policy could the elevator system be able to function with the greatest economy, and the full objective for which the system was built be realized. This coming harvest the Alberta Pool will have close to 300 line elevators in operation and three terminals at the Pacific coast. In order to bring the greatest possible return to Pool members with the maximum protection in weights and grades, Mr. Hall suggested that every effort be made to have Pool grain handled through Pool elevators.

George McIvor, general sales manager, addressed the delegates and pointed out the advantage to the Selling Agency of having Pool grain in Pool elevators readily available to complete sales at any time. He stated that by placing their grain in their own elevators, Pool members can assist Pool salesmen to get better prices for their grain.

The new policy laid down by the Pool delegates will mean something new in co-operative effort in Canada, if not in the world. It means that members will be charged only the bare cost of operating the elevator facilities. When they haul their grain into Pool houses no service or elevator charges will be made. At the end of the fiscal year the actual operating cost will be available and will be deducted from the final Wheat Pool payment.

The decision to change the elevator policy was arrived at only after prolonged consideration. Every angle of the question was fully considered and debated.

If a husband must choose, it's better to be under a thumb than in front of a trigger finger.

EMPEROR CONCERT ORCHESTRA

FALL OF PEKIN ONLY MATTER OF SHORT TIME AS CHANG RETIRES

London, June 1.—A Tokio dispatch to the Evening News says reliable reports from Pekin state that Chang Tso-Lin, the northern dictator, has definitely decided to abdicate.

Tokio, June 1.—Advices from Tientsin state that General Chang Tso-Lin, northern commander, now in the field against the Nationalists, has ordered the northern forces on the Tientsin-Pukow railway front to carry out a general retreat.

Pekin, May 31.—Marshall Chang Tso-Lin, northern dictator, today ordered troops on the Peking-Hankow railway to fall back to the railroad junction at Luliho. Luliho is about 20 miles southeast of Pekin and about 60 miles northeast of Pao Ting Fu, from which city the Nationalists drove the northern troops.

Mukdenite (northern) headquarters stated that the fighting against the Nationalists during the last ten days had not been very severe. They said the northerners were not defeated and their casualties had been only 2,500.

It was asserted that the present withdrawal was due to the defection of the eighth corps which refused to fight any longer and retired to southern.

Chang To His Stronghold

London, May 31.—The fall of Pekin before the steadily advancing Nationalists today again appeared imminent with the possibility that Chang Tso-Lin, lord of the northern dictatorship, will shortly retreat into Manchuria across the great wall into Manchuria.

Advices reaching Tokio indicated that Chang Tso-Lin already had decided to withdraw from Pekin and has started some of his troops toward Manchuria.

The majority of northern troops have fallen back as far as Chang Shien on the outskirts of Pekin, but headquarters still are at Luliho. All communications on the railway from Pekin to Tientsin have been suspended.

It was reliably reported that Nationalist troops were now within 18 miles of Tientsin and advancing slightly to the westward on the Tientsin-Pukow railway with the probable objective of interrupting communications between Tientsin and Pekin.

WHEAT POOL NEWS

Wheat Pool elevators in Alberta will be operated on a cost basis to patrons. This decision was reached by the seventy delegates assembled in convention in Calgary, commencing May 29th. It was decided to make this policy retroactive. The excess earnings of the elevator system during the 1927-28 crop year will be disbursed to the Pool members who put their grain through these elevators.

The change in elevator policy was recommended to the delegates by the directors and two proposals submitted. The first proposal was to eliminate handling and service charges upon delivery of the grain to the Pool elevator and deduct the actual operating cost on a per bushel basis from the final Wheat Pool payment. This method was adopted by the delegates after a lengthy discussion.

The second proposal was to make the usual elevator charges to Pool members delivering their grain and to refund to patrons at the end of the fiscal year any excess charges over and above actual operating and overhead costs. The Saskatchewan Pool embodies this policy in the operation of its elevators.

The new policy decided upon will mean a distribution of Pool elevator excess earnings during the present crop year only to those who patronized Pool elevators, on the following basis: (1) through Pool country houses, (2) platform shipments to Pool terminals, (3) through non-Pool line elevators to Pool terminals. The incoming crop will be handled through Pool elevators on an actual cost basis as described elsewhere in this article.

The purpose of this new system is to increase the volume of grain passing through Pool elevators. C. M. Hall, general manager of the elevator system, in addressing the delegates, strongly urged that members use their own facilities to the fullest extent. He pointed out that only by following this policy could the elevator system be able to function with the greatest economy, and the full objective for which the system was built be realized. This coming harvest the Alberta Pool will have close to 300 line elevators in operation and three terminals at the Pacific coast. In order to bring the greatest possible return to Pool members with the maximum protection in weights and grades, Mr. Hall suggested that every effort be made to have Pool grain handled through Pool elevators.

George McIvor, general sales manager, addressed the delegates and pointed out the advantage to the Selling Agency of having Pool grain in Pool elevators readily available to complete sales at any time. He stated that by placing their grain in their own elevators, Pool members can assist Pool salesmen to get better prices for their grain.

The new policy laid down by the Pool delegates will mean something new in co-operative effort in Canada, if not in the world. It means that members will be charged only the bare cost of operating the elevator facilities. When they haul their grain into Pool houses no service or elevator charges will be made. At the end of the fiscal year the actual operating cost will be available and will be deducted from the final Wheat Pool payment.

The decision to change the elevator policy was arrived at only after prolonged consideration. Every angle of the question was fully considered and debated.

If a husband must choose, it's better to be under a thumb than in front of a trigger finger.

EMPEROR CONCERT ORCHESTRA

REV. DR. PEDLEY NOMINATED MODERATOR OF GENERAL COUNCIL OF THE UNITED CHURCH OF CANADA

Cornwall, June 5.—Rev. J. W. Pedley was nominated Moderator of the General Council of the United Church of Canada, at a meeting of the Glenora Presbytery held here. Dr. Pedley is a past Chairman of the Toronto Conference, and presided over the Congregational Union of Canada before that body merged in the United Church. He is well-known as a strong preacher and during the past few years has been invited to preach from nearly every pulpit of importance in Ontario. No United Churchman is better known in the far west, where Dr. Pedley opened a mission church in the days when Vancouver was little more than a prosperous village. The General Council will meet in Winnipeg next September.

J. D. MATHESON APPOINTED KING'S COUNSEL

Throughout the whole of western Canada Macleod has always had a reputation for the sojourning of leading lights of the legal fraternity. Looking back to the early days we find Chief Justice Sir Frederick Haultain, the late Judge Wood, Judge E. P. McNeil, Mr. Justice Ives, and many other all practised at one time or another in Macleod. Therefore it is any wonder Macleod should be surprised when out of the twenty three K. C.'s created by the U. F. A. government this week, five of them are Macleodites, one being of the town's leading lawyers and Crown Prosecutor at the present time.

Joseph D. Matheson, who has been honored by the Government in being appointed King's Counsel, is one of the cleverest lawyers in Alberta today, and his counsel is often sought by the legal fraternity throughout Western Canada. Mr. Matheson was born in Inverness County, Nova Scotia, fifty-five years ago. He attended the Victoria Academy, after which he was school teacher for several years, when he decided to take up law. He entered Dalhousie University in 1896 and graduated from there three years later with honors and his degrees of Bachelor of Law. He commenced practising in Port Huron, S. S., and for ten years was solicitor for the county of Inverness, also Crown prosecutor. On account of his health Mr. Matheson was advised to come to western Canada by his medical adviser and he arrived in Edmonton in 1912, where he practised law for four years, coming to Macleod and taking up the business of the late Capt. Colin Macleod. He was appointed Crown Prosecutor for the Macleod district in 1921, which appointment he holds today, and on receiving news of being appointed King's Counsel, Mr. Matheson was the recipient of many congratulations from his host of friends in Macleod. He is of Scotch descent, of which he is very proud, and he is one of the few in the west today who can converse fluently in the Gaelic tongue. In Federal politics he is a conservative and is president of the Macleod Dominion Conservative Association at the present time. In 1904 he was married to Miss Elizabeth Ferguson, of Banff, Scotland, whom he met in Nova Scotia. It is rather a coincidence that William S. Gray, who practised law in Macleod for several years with Colin Macleod, and who today was appointed King's Counsel, was desk mate and class mate with J. D. Matheson both at Pictou Academy and Dalhousie University; they are both the same age, graduated at the same time, although Mr. Matheson claims that there was never such a clever law student in the Varsity as "Bill" Gray, and that he graduated from Dalhousie with the highest honors known in the history of the college.

Mr. Gray who is at present solicitor for the Alberta Government, came to Macleod in 1911 and went into partnership with Colin Macleod, the noted criminal lawyer. While here Mr. Gray was married to Miss H. Hilliard in 1912, leaving here with a wife and family in 1916 for Lethbridge, where he practised law with Messrs. Johnston & Ritchie of the Alberta Government, after which he received his present government appointment.

There are two King's Counsel in Macleod at the present time—Mayor J. W. McDonald and Crown Prosecutor Joseph D. Matheson. Among the other members of the legal fraternity who were similarly honored by the government this week and who practised law in Macleod, is Donald G. Mackenzie, of Gillie & Mackenzie, barristers, Blairmore. Mr. Mackenzie, who graduated from Edinburgh University with his law degree, came to Macleod in 1911 and became partner in the firm of McDonald, Martin & Mackenzie, leaving here a few years ago to practise law in Blairmore. Mr. Mackenzie who is one of Alberta's leading amateur golfers is forty two years of age and is a frequent visitor to the Jubilee city. Henry W. Church, another barrister to receive honors from the government who is at present practising law in Lethbridge, where he has been for several years, formerly practised in Macleod in partnership with the late Crown Prosecutor William M. Campbell, K. C. The fifth K. C. of the twenty three who have been appointed this week by the Legislature, and who formerly practised law in Macleod, is Alex. R. Ballachy, barrister of High River.

Thus Macleod is rightly proud of the honor it has been paid by the government, when appointing King's Counsellors throughout the province, selected five right worthy of the honor from Macleod.

If a husband must choose, it's better to be under a thumb than in front of a trigger finger.

THURSDAY, JUNE 7th, 1928

SUPERFICIAL OPINION

T. L. Church, in the House of Commons a few days ago, took a crack at the League of Nations by referring to it as "a nice agency to provide Cook's tours and nice trips for government officials," and by intimating that he placed little reliance in it as a means of the prevention of war.

Equally superficial remarks might be made about scores of organizations that are carrying on work of

more or less importance throughout the world. Such references applied to a body of international importance might be excused in a parish councillor, but it is evident that the parochial mind may also be possessed by a member of parliament.

The league, like Christianity, is the embodiment of a noble ideal that has engaged the thoughts of earnest men for many centuries, who have pictured a world in which good will, judicial sense and peace would replace prejudice, passion and war.

The formation of the league is the first attempt in history to incorporate these ideals, and by determined effort to apply them to the conduct of international affairs.

"Peace," says Santayana, "are not forces; they are possible forms of being that would frankly express the will." We might dream forever of ideal conditions, but dreams must be transformed into decisive action before the lives of men can be affected.

The momentous fact is that the league has come into being; it has emerged from the region of theoretical speculation, and has taken a concrete form which the creative energy of man would to his will.

The success of the league does not depend solely on the wisdom and skill of the executive and staff; the event will be determined by the clarity and intelligence of public opinion behind the movement, and in the formation of public opinion men in public life have a grave responsibility which the volatile mind of Mr. Church seems incapable of comprehending.

Correct this sentence: "Whether the car is a Rolls or a decrepit flivver," said the speed cop, "I speak to the occupant in the same tone of voice."

REGULAR MEETING OF MACLEOD TOWN COUNCIL

The regular meeting of the Town Council was held at the Town Office this week and when Mayor McDonald called the meeting to order a full attendance of Councillors was recorded.

The following appeals were taken up and dealt with in regard to taxation of property:—Mrs. R. Martin, allowed to stand; W. J. Ryan to have lot assessed to separate school, assessed to public school; C. Hamnerley, assessment reduced to \$100 each on two lots; Mrs. M. McKenzie, allowed to stand; Mrs. E. Hayes, allowed to stand.

The matter of grading south of town was taken up and contracting for this work left with the Works and Property Committee to handle. The Council decided to increase the labor pay on water works construction and maintenance from forty cents to forty five cents an hour as from June 1st, 1928.

The vacant lot on Main Street east of the Queens Hotel was sold to Mr. S. Baker, who intends to erect a brick and tile store in the immediate future. Mr. Baker also made arrangements to purchase from the Town the large building on 16th Street that was formerly the pool hall.

J. Chivallo and J. Hart purchased empty houses from the town for removal to more convenient lots.

The report of Chief of Police Pringle was read and filed.

Mr. Chester was given the house on lot 5 north side of 19th Street for removal to more convenient site.

MACLEOD REBEKAHS VISITED BY GRAND WARDEN
Mountain View Rebekah Lodge No. 23 had a big night in the Odd-fellows' Hall on Monday, the occasion being the visit of the Grand Warden of the Rebekah Assembly, Mrs. Saunders, of Calgary.

There was a large turn out of the local members and the number was considerably augmented by visiting sisters and brothers from the Lethbridge lodges and the Staveland Lodge, all told there being about 90 present. The Lodge had a candidate for the occasion, and the Degree work was put on in the usual Mountain View style which is always of a very high class order, the lodge being highly complimented on the work by a number of the visitors.

Mrs. Saunders gave an inspiring address on the work of the Order which was much enjoyed. She was delighted with the large attendance,

"It suits mother; it suits me — breakfast dinner time or tea" — so sings the Little Housewife. Mother has explained to her how this particular bread happened to be so particularly good. We take pains to make it that way.

and congratulated the members on the Degree work and business like manner in which they conducted the Lodge. Mrs. E. Forster Brown, Past President of the Rebekah Assembly, in the name of the Lodge presented Mrs. Saunders with a fancy silk embroidered table runner, for which she thanked the members.

After lodge, the company sat down to a sumptuous banquet, and when all had partaken of the good things provided, nearly all the visitors were called on for speeches, and a most enjoyable hour was spent round the banquet table.

EVERY CITIZEN OF THIS TOWN AND EVERY RESIDENT of THE DISTRICT

is interested in the

GROWTH AND DEVELOPMENT OF THIS COMMUNITY

Remember Then That:

The business of a town is its very life-blood.

The stores and business houses are not alone for the merchants.

Prosperous merchants will make the community prosper. The more buyers there are in a town, the greater "turn over" the merchants will have, and thus the more they will be able to reduce prices and increase the quality of the goods they sell.

Thus By Trading at Home

with the home town merchants the people thus become the builders of their own community.

No True Citizen

will stunt the natural growth and expansion of his home town by fostering the mail order business of far away communities.

Buy At Home

not to help the merchants, but to help the home community and yourself.

Glenwood News

Relief Society Conference was held in the L. D. S. Church Sunday, Mrs. Harry Grow, president E. J. Wood, and others of Cardston were in attendance. The Glenwood Relief Society was found to be in a splendid condition, both financial and spiritual.

The dance in the Glenwood Amusement Hall on Friday night was very poorly attended in spite of the fact that good music was furnished by the Jones Melody Men of Cardston. Most of the people preferred to go to the Riverside Pavilion on Waterton river where the surroundings seem to be more appealing.

Cut worms are doing considerable damage in some of the beet fields yet. Many farmers are making use of the irrigation water on the beet fields. This is a very effective check to cut worms.

Another order, the last of the season, is being sent this morning to B. C. for baby chicks and young pullets. Some farmers not having brooding facilities are buying six, eight and twelve-week old pullets.

Quite a number of Glenwood people attended the monthly Stake Priesthood meeting at Cardston Saturday.

Cardston received a half inch of rainfall Saturday but only a few stray drops fell at Glenwood.

A baseball game was played Wednesday night between the "M" men team and the married men. The "M" men were trimmed 13 to 4 and are naturally anxious for a return game. After the game a few horse races were run for the purpose of giving some of the local horses a little experience on the track in preparation for subsequent holidays.

Many of the men and boys, of Glenwood attended the field day sports held at Cardston on the 24th, and came home with the usual determination to get in training before another year.

The school presented a patriotic program on Wednesday afternoon. Several patriotic readings and musical numbers were rendered. The chief feature of the program, however, was the unveiling of the memorial plaque presented to the school by the Department of Education, Mr. Edward Leavitt, a member of the School Board officiated in the unveiling ceremony after giving a short patriotic speech to the children.

The members of the Beet Credit Society met with Mr. Cowell on Wednesday evening to reorganize the association and pass on the applications for loans.

Soft ball is becoming very popular here of late. The ladies of the town organized Friday night so we expect to see some speedy playing in the near future.

Indications of rain have been much in evidence the past few days, but as yet none of them have materialized.

Most of the alfalfa fields of the district, and a few small grain fields have been irrigated.

J. C. and L. Nelson motored to Stirling Saturday on a business trip.

Mrs. G. M. Butler returned home Wednesday from Claresholm, where she has been visiting her mother.

The Sea Gull class of Primary girls were taken to Waterton Lakes Saturday for a holiday, returning again Saturday night.

A. H. Tovell, chief executive of the Municipal Hall Board of the Province, with his wife and daughter, passed through the district Saturday.

A Baseball League was organized this week to include the towns of Glenwood, Hill Spring, Mountain View and Leavitt. Mr. Finch of Glenwood was elected president, Cyril Layne of Glenwood, vice-president, and Harry Law of Glenwood was made secretary-treasurer. The first game will be played here this week between Hill Spring and Glenwood.

Arnold Loose is moving his family out to the farm where Mr. Loose is erecting an automobile repair shop.

Wm. J. Whitehead of Claresholm was in town Saturday looking after his farming interests here.

Mr. Snow of Vulcan has been in town the past week irrigating his alfalfa.

JUBILEE CITY GIRLS' CLUB PROGRAM

The Jubilee City Girls' Club will hold their meeting on Mrs. Sutherland's lawn at 2:30 on Saturday, June 9th.

"O Canada," Saluting the flag and repeating the code.

Roll call to be answered with your favorite sport. Community singing. Current events—Helen McNab. Solo—Ruth Ringland. Paper—June Ryan. Recitation—Mina Ringland. Games.

Refreshments. "God Save The King." As it is their last meeting they would like all the members to try and be present.

RATHWELL NEWS

Service in the Rathwell School house next Sunday, June 10th. 11 a. m. Preacher Mr. F. Crowson. Come and enjoy the service.

Of course, other people are cleaner than politicians. Think how often politicians clean them.

WHAT ARE YOU going to do with your 1928 Wool Clip?

Low Priced yet every inch a truly fine car

It is almost inconceivable that a car so low in price as the "Bigger and Better" Chevrolet should possess so many quality features. The minute you step into the "Bigger and Better" Chevrolet, take the wheel in your hands and step on the starter, you realize that, no matter what the price, you are in a really fine car. For the interior luxury of Chevrolet... its smooth, powerful motor... its quick response to accelerator and brakes... its riding comfort... its up-to-date completeness... all bear out the impression of big-car quality conveyed by the exterior beauty and style of the new Chevrolet Fisher Bodies. When you have looked closely into the deep-rooted, far-reaching quality of the "Bigger and Better" Chevrolet, you will appreciate how ridiculously low are the new Chevrolet prices.

The G.M.A.C. General Motors' new deferred payment plan affords the most convenient and economical way of buying your Chevrolet on time.

3rd FIELD BATTERY C.A.

Orders—There will be a parade of all ranks on Thursday, June 14th at 8.00 p. m. at the Armouries.

Routine—The Battery will proceed to Camp at Sarcee on July 16th, for eight days.

Thirty three men are wanted to go to camp at \$1.20 per day. Those qualifying as gunlayers or signallers will receive an extra 25c per day. \$20.00 prize money for gunlayers and the same for signallers is donated by the C. A. A. Five dollars first prize in each class, four for second, etc.

Fares are paid to camp by the government. There is no expense to the individual. There is a canteen at the camp where soft drinks, ice cream, etc., can be procured. Passes will be given to visit Calgary when O. C. is willing, which he generally is.

Come to Sarcee and holiday for eight days. Fire off the big guns. See the high explosive shells burst on and around your targets. Get paid for your holiday.

This trip is open to all men who are 18 years old and not over 45 who are medically fit. Join up now. Attend parades at the Armouries and you will enjoy it all the more at Sarcee.

Four days pay for attending eight parades before going to camp. Must attend at least four parades before receiving your 60c per parade. Parades every Thursday night at 8.00 p. m. at the Armouries, (building F at the Barracks).

Macleod, Alberta.

R. G. McLEAN, Capt., Officer Commanding.

MACLEOD AND DISTRICT BOARD OF TRADE MET ON MONDAY NIGHT—WITH THE PRESIDENT J. B. SUTHERLAND PRESIDING

Routine business occupied considerable time including reports from various committees. A long discussion took place in connection with a number of Road Maps which have been published recently in the Calgary Herald and the Calgary Albertan, which this Board considers are detrimental to the southern part of the province in connection with the tourist traffic. The Map in question shows the "Trans-Continental Highway" (A new name) from Winnipeg to Vancouver via Medicine Hat, Calgary, Banff and Yakk, in heavy black type, with no mention of the "Trans-Canada Highway" or "Red Trail" from Winnipeg to Vancouver via Medicine Hat, Lethbridge, Macleod, Cranbrook and Yakk. This latter highway, which has been the recognized "Trans-Canada Highway" for several years, and is the most direct route to the Coast, is shown on the map by a very narrow black line from Medicine Hat west to Yakk. This is certainly showing discrimination on the part of the publishers, The Alberta Development Board, and the distributors, the Calgary Board of Trade and Calgary Motor Association.

This western country is large enough to have two or even three Continental Highways, as it no doubt will in a few years, and public bodies such as the Alberta Development Board, Calgary Board of Trade and Motor Association should be broad minded enough to include all parts of the territory supposed to be covered by their operations.

The Macleod Board of Trade passed a strong resolution against the issuing of these maps, and the secretary was instructed to send a letter of protest to the Development Board, Calgary Board of Trade and Motor Association, also to send a copy of

the letter to all the boards of trade from Medicine Hat to Coleman, on the Red Trail, and ask them also to take action to have these maps corrected.

Objection was also made by the Board to one of the said maps, headed "Alberta-Montana Highway," which shows the highway heavily marked from Butte to Edmonton, and the "Blue Trail" from Great Falls to Claresholm marked medium light. In both of these trails, the Red and the Blue, there is more gravelled road than on any of the other two highways that are marked heavy, and before the end of this year the graveling on these two highways will practically be completed east and west and north and south, yet the publishers of these maps have ignored these facts, and are evidently trying to divert tourists over dirt roads after the government has spent, and is spending, large sums in graveling roads to attract tourists to the Province of Alberta.

CLOTHING AND FURNISHINGS

FIVE REASONS

Why Wheat Producers Should Support

THE WHEAT POOL

1. Because your self-protection as a producer is incomplete and ineffective if private organizations can still exploit you by manipulating prices against you.
2. Because co-operation helps to uphold the standard of living by suppressing the element of profiteering in the grain produced by your labor.
3. Because co-operation eliminates unnecessary middlemen and dividend hunting shareholders, who take a heavy toll of the wealth produced by the farm workers.
4. Because the co-operative principle of "each for all, all for each" is the workers' ideal which alone can bring economic and social justice, peace and prosperity, to all throughout the world.
5. Because the farm workers ought to concentrate their resources in co-operation instead of supporting capitalistic organizations hostile to co-operative movements.

B.C. STRAWBERRIES

These will begin coming in fair volume next week, and the ten days following June 15th ought to be the best period for preserving. This means that the Strawberry season is about two weeks earlier than usual. The crop is said to be large, and if no unfavorable weather is experienced within the next couple of weeks strawberries ought to be a little lower in price than they have been for some time.

We should be glad to book your orders for preserving berries in advance, as in this way we can give you better service.

THE WHITE HALL

(OPERATING THE CHILD'S SAVING PLAN)

LOCAL AND PERSONAL NEWS

A. Charlton, of Calgary, is a visitor to Macleod this week.

R. Jones, of Calgary, is a visitor in Macleod for a few days this week.

Mr. and Mrs. F. J. Cutler were Olsen Creek visitors on Sunday.

Jake Russell, of Granum, was a visitor to Macleod on Saturday last.

J. Turner, of Carmanagay, was a business visitor to Macleod on Sunday last.

Supt. R. Winter, of the Western Natural Gas Company, was a business visitor here on Saturday last.

A. T. Leather and Neville Kirk left this week on a lengthy business motor trip through Alberta, Saskatchewan and Manitoba.

Geo. Chug had the misfortune to throw the cartilage out on his right knee last Friday and will be on crutches for a couple of weeks.

Geo. Wood, now of Lethbridge, formerly of Macleod, was a local visitor on Wednesday en route to Vancouver where he will spend his vacation.

Judge A. M. MacDonald and Mrs. MacDonald, accompanied by Mr. and Mrs. J. D. Matheson, motored to Lethbridge on Thursday of last week.

Mr. and Mrs. W. Whitworth returned on Monday, June 4th, from an extended honeymoon trip spent at Pacific Coast points, and have taken up residence in their home on 19th St.

Geo. H. Pearson, (late of the Queen's Hotel Staff) accompanied by Mrs. Pearson and Master Leslie, left on Monday, June 4th, for England, where they will spend three months' vacation visiting relatives and friends.

Mrs. L. D. Huntley, who represented Macleod at the Crow's Nest Golf Tourney at Fernie, qualified for the Ladies' Championship and won the first prize but lost out in the second. Considering the competition Mrs. Huntley did fine and is to be congratulated as the only Macleod representative at the tournament.

Mr. and Mrs. S. Dillingham and family were greatly worried on Sunday evening last when their daughter Katie did not return at bed time. They, with a number of friends, searched for the youngster for several hours, then called on Chief of Police Pringle, and Constable Carter of the Provincial Police, who jointly put forth every effort toward finding the little girl, finally after 1:30 in the morning coming to the conclusion that she must have stayed all night with some playmates, in which surmise they were proved correct on Monday morning by the appearance of Katie at school after spending the night at the Barnaby home. Mr. and Mrs. Dillingham wish to express thanks to Chief Pringle and Constable Carter and numerous other friends for their prompt and

energetic help in trying to find the little one.

Harry Winchcombe was a Calgary visitor this week.

Mrs. A. L. Morrow was a visitor to Calgary last week.

Mrs. Sargent, of Tabor, was a visitor to Macleod last week.

S. Hoop, of the Calgary Brewing Company, motored to Parkland on Monday of this week.

R. S. Linton, of Regina, was a business visitor to Macleod this week.

P. Sullivan returned home on Tuesday last after spending six months visiting his friends in Ireland.

Mrs. John L. Favett left for the east last Saturday, where she will visit Toronto, Moncton, Halifax and other eastern points.

G. C. Shapter, of Granum, accompanied by C. J. Nelson, of Claresholm, visited Macleod on Wednesday afternoon of this week.

Commissioner Bryan, of the Alberta Provincial Police, was a visitor in Macleod for a few days this week, inspecting the local detachment and other business.

The baseball game between Spring Coulee and Macleod which should have been played on Wednesday last on the Spring Coulee diamond was cancelled on account of Spring Coulee dropping out of the league.

R. J. Dinning, of the Alberta Liquor Control Board, was in Macleod on Saturday last, and while here discussed with D. W. Davis, Price who a month ago went East to recuperate after his accident. Mrs. Price writes that the patient is doing very nicely and improving and sends greetings to any and all enquiring friends.

William Bunyan, Mrs. J. Pringle's father, left on Monday, June 4th, for Glasgow, Scotland, where he will join Mrs. Bunyan, who had been called to Glasgow on the occasion of her daughter's (Mrs. Grant's) death. Mr. Bunyan will reside overseas indefinitely.

The rains of Sunday and the following days came as a great godsend to the farmers of Macleod and district. The crops were beginning to suffer from the few weeks of tropical weather that we had had, and surface moisture was badly needed. Although the rain was light it filled a big need. The crops in the district look very promising and with a continuance of the right weather

another big yield will be the outcome.

Percy McGregor is a Calgary visitor this week.

Miss Annora Brown, arrived home from Toronto, Wednesday morning.

Nelson Bernard, of Lethbridge, was a business visitor to Macleod last week.

Miss Margaret Shield is spending a few weeks vacation visiting her parents Mr. and Mrs. Wesley Shield of Macleod.

J. Swinerton returned from Edmonton on Saturday, having during his trip north purchased a new McLaughlin Buick sedan.

J. Franklin, well known oldtimer and noted thoroughbred horse breeder, returned to Macleod this week from his home in California.

Mrs. H. H. McLean returned on Friday from Edmonton where she has been in attendance on her husband at the hospital in that city for the past month. Mrs. McLean says Hugh is now progressing favorably.

Charlie Thompson, well known oldtimer of Macleod and Granum districts, has sold out his property and farming equipment in Granum and is taking up ranching and farming in the Peace River country. Charlie is a well known old time cowboy and rancher in this country, having come to Macleod in the eighties and rode the range with the rest of the boys of that day. According to Mr. Thompson the Peace River country looks mighty good to him and he advises all Ambitious young men who are seeking for a real good farming location to go there.

Thanks, Macleod Board of Trade, for your kind information at your Tourists' Bureau. The yellow strip maps were fine—we have used them all the way from Winnipeg. Your publicity on them brought us to Macleod from Medicine Hat, we are going through the Crow's Nest, then into Calgary via Banff. We are just bubbling over with the fine reception we received, and we are sure tickled with your map service. Wish all the Boards of Trade were as kind. —Mr. Taylor and party of five, Winnipeg.

Christ Church, Macleod was the scene of a pretty wedding Wednesday afternoon at 2 o'clock when Miss Georgie Willena Kennedy, of Lethbridge, became the bride of James Frank Johnson, C. P. R. operator at Macleod. The Rev. F. Randall Powell, Rector of the Church performed the ceremony. The bride was attended by her sister, Miss Jessie Kennedy, and C. C. Jamieson supported the groom. Only immediate relatives and friends of the bride and groom were present. After a short honeymoon the young couple will take up their residence in Macleod.

UNITED CHURCH SERVICES
Regular services at 11 a. m. and 7:30 p. m.

REACH & COMPANY, Ltd.

DEPARTMENTAL STORE, DRY GOODS, CLOTHING, BOOTS AND SHOES, GREAT WEST GARMENT AND OVERALL COMPANY'S MANUFACTURES, GROCERIES, VEGETABLES AND CONFECTIONERY

Is there anything more enticing on a girl or young lady than a nice Middy. It is a dress in itself. For school and general wear it is unexcelled. What can you buy to take its place? We have a small lot just in, and would like you to see them.

We are selling our Summer and Spring Hats at Cost. Buy your child one. You can't afford to risk an attack of sunstroke.

Contributed by a Bishop:

Mary has a little skirt,
So neat, so bright, so airy;
It never shows a speck of dirt,
But it shows off Mary.

Half an inch, half an inch, half an inch shorter,
The skirts are the same of mother and daughter;
When the wind blows each one of them shows
Half an inch, half an inch more than she order.

STANFIELD'S LADIES SILK UNDERWEAR

You will appreciate wearing them this hot weather. They wear longer than cotton, but how much nicer. For two weeks we will give 25% off, just to introduce them to you. Those who use Silk Underwear never go back to cotton. They are cheaper for they last longer. Then the looks and appearance has spoilt the feminine wearer for ever more.

We can please you in Ladies' Footwear, Silk Hosiery of every shade. Agents for Holeproof Hosiery.

Our Customers Come Back

Gust Store customers are permanent. They come back, year after year, bringing their friends with them. If you are one of the few who have not yet come to depend exclusively upon the Gust Stores for your grocery requirements, let us suggest that you look into the reasons why practically every one you know buys most all of their foods at our stores. It will pay you—in many ways.

The S. E. GUST STORES, LIMITED

9 NINE OF CANADA'S BEST STORES 9
H. FUNNELL, Manager, --- MACLEOD BRANCH

Sherman, Bishop of Calgary—accompanied by the Rev. Canon Gould, of Toronto, will be in Macleod, and both gentlemen will address a Mass meeting in the Parish Hall at 8 p.m.

Representatives from all points of the Macleod Diocese will be present, and an invitation is extended to everyone to come and hear these forceful speakers in the interests of the working forces of the Presbytery of Westminster.

At the urgent request of that congregation, Mr. Wishart visited Chilliwack a few weeks ago and the above is the result. The call will come before the Presbytery of Westminster next Tuesday and will then be forwarded to the Presbytery of Calgary, Chilliwack is a fine up-to-date progressive town, situated in a beautiful agricultural district, where dairying is one of the principal industries. Fruits of all kinds grown in great abundance.

On Tuesday evening next June 12th, 1924, The Right Rev. L. R.

of the Missionary work of Western Canada.
